The Ghanaian Singer and Manner Records signee was on the Friday Popping hosted by Sir KAY and Mr. Shark last night.

When asked if she was a member of MUSIGA she stated that "I have heard about MUSIGA but I don't know what they do"

The friday popping hosts were "shocked to the bone" because they couldn't believe an artiste like Petrah claims she doesn't know anything about MUSIGA but Petrah insisted that she truthfully she doesn't know them though she has heard the name on some occasions.
